

**Wax Stripper &  
Heavy Duty Cleaner**

**SUPER STRIP**

**Product # 110**

#### **DESCRIPTION**

SUPER STRIP is a highly concentrated unique floor finish remover and all-purpose cleaner fortified with ammonia. Attracts soil and locks it into suspension, re-emulsifies wax, polymer and resin buildup for easy pick-up. This fast-acting formula dissolves and removes multiple coats of conventional and "metal" interlock floor finishes. Removes all water based waxes, acrylic and urethane finishes and sealers without leaving an alkali residue. It features superior dispersion and low suds for all-purpose cleaning and can be used with hard or soft water. Contains no abrasives.

#### **USAGE**

Recommended for commercial, institutional, industrial and household use. Use on vinyl, vinyl composition, asphalt tile, terrazzo, marble, concrete and any other washable surface.

#### **DIRECTIONS**

Use only as directed. Do not mix with anything unless recommended.

**For Wax Stripping:** Dilute 1 part SUPER STRIP to 4 parts of water, apply to floor. Allow solution to remain on floor for 10 minutes. Scrub with a floor machine. Then, remove soil from floor with clear water by wet vacuum or clean mop and water. Rinse before applying new finish. Particularly tough jobs may require stronger concentration or use product straight.

**For Heavy Duty Cleaning And Degreasing:** Use 1 part SUPER STRIP to 10 parts warm water.

#### **PRODUCT SPECIFICATIONS**

<b>APPEARANCE</b>	Clear blue liquid
<b>ODOR</b>	Slightly ammoniated
<b>VISCOSITY @ 77°F cps</b>	Water Thin
<b>pH IN CONCENTRATE</b>	12
<b>FLASH POINT</b>	None, non-flammable
<b>WATER SOLUBILITY</b>	100%
<b>WETTING PROPERTIES</b>	Excellent
<b>FILM PENETRATION</b>	Excellent
<b>ABRASIVES</b>	None
<b>SHELF LIFE</b>	1 Year in unopened container
<b>PACKAGING</b>	55, 35, 15 Gallon drums 5 Gallon pails Cases of 6/1 and 4/1 Gallon jugs

#### **SAFETY INFORMATION**

**KEEP OUT OF REACH OF CHILDREN. DO NOT TAKE INTERNALLY.**
