

Almond Pearl

Lotionized Hand Soap & Body Wash

Product # 263

DESCRIPTION

Almond Pearl is a liquid pearlized hand soap & body wash like no other you can find: Mild and delicate natural almond fragrance, with a silky touch, rich and luxurious lather. Almond Pearl will leave your hands and body feeling soft and clean and without drying the skin, with a pleasant scent and the sensation of a complete and fresh clean. You will enjoy your shower and feel great after using Almond Pearl. Almond Pearl is biodegradable, non-caustic, non-acid and highly concentrated. You'll love it!

USAGE

Recommended for commercial, institutional, industrial and household use.

DIRECTIONS

READY TO USE.

Moisten hands, add Almond Pearl, rub to obtain the creamy lather, rinse. In the shower, squeeze product onto a wet puff, lather, apply on body and rinse. Its rich, silky foam gently cleanses and leaves a delicate fragrance.
