

Laundry **D-STAIN**

Removes Stains From Laundry Garments

Product # 322

DESCRIPTION

Stains on clothing require a special treatment in order to return the fabric to its original condition. Laundry D-Stain is a chlorine based destainer for the removal of tough stains from laundry garments. Removes scorch, ink, fruit, tea, coffee, grass and other stains from white and color-fast materials. May be used as a pre-soak for blood protein stains.

USAGE

Recommended for commercial, institutional and industrial use.

DIRECTIONS

Do not mix with any other chemicals. Use as directed.

USE 2-4 OUNCES PER 50 POUNDS OF WASH.

Add the product to the water before loading the clothes. Avoid bleaching wool, silk, color clothing and leather.

Wear goggles and rubber gloves when handling this product. Wash hands after use.
