FAST ACTION

PAINT & COATING REMOVER

Product # 464

DESCRIPTION

A fast and effective remover of paint, varnish, enamel, lacquer, shellac, synthetic and Epoxy finishes from cars, cabinets, boats, floors, furniture and other wood, metal, plaster or masonry surfaces. Heavy bodied consistency permits easy removal on vertical, round or carved surfaces. Remove finish from crevices or other hard to get at places with a toothbrush or sharp stick. Will not raise grain off or remove stain from wood.

Do not use on linoleum or other synthetic surfaces.

BENEFITS

- * **EASY APPLICATION**
- * **REMOVES MANY LAYERS OF PAINT IN ONE APPLICATION**
- * **WATER RINSABLE**

USAGE

Recommended for commercial, institutional, industrial as well as household use.

DIRECTIONS

QUALITY Paint Remover is applied full strength by brush, mop or roller. Apply a very thick coat of remover to surface and let remover work for 10 minutes or more. Wash away old finish with coarse steel wool or rags, and strong detergent and water solution.

Numerous coats of old finish may require additional applications of remover. A paint scraper may be helpful in removing extra heavy coats of old dissolved finish. Wood and wood veneers should be rinsed off with mineral spirits instead of water. Completely wash off remover within 30 minutes, before it dries.

DO NOT USE ON ASPHALT, VINYL, RUBBER, PLASTIC, FIBERGLASS, POLYESTER OR HOT SURFACES.

WEAR RUBBER GLOVES, PROTECT SKIN AND EYES. Use with adequate ventilation.

PRODUCT SPECIFICATIONS

APPEARANCE	Amber opaque liquid
ODOR	Solvent like
FLAMMABILITY	Non-flammable
WEIGHT / Gallon @ 77°F	10 Lbs
WATER SOLUBILITY	Total
SHELF LIFE	1 Year in unopened container
PACKAGING	55 Gallon drums 5 Gallon pails Cases of 6/1 and 4/1 Gallon cans
